

The following message was transcribed from an actual phone message,

"Hi Karen, This is Jennifer Wescoe-Schaninger. You were out to our house in December and you designed our closet space and our pantry space. Hey, I just wanted to give you a call and let you know how much I appreciate what you did. Every time I go in there I think of how much more efficient it is and how much I love it. So, I just wanted to let you know and give you a high five for that. I really appreciate your work. Have a super day".

Dear Karen,

Thank you for all of your help meeting our closet needs! It's just amazing how the space is utilized and I still have room to shop!! All of my shoes have a home! The master closet is a total change.

We would also like to thank you for doing our installation so quickly. We had a second closet fall before you could get here, but we appreciate the promptness!

Thanks for your expertise in design and your warm, friendly personality made it a pleasure!
